FACTORY OVERVIEW

CUTTING AND PUNCHING WORKSHOP

Numerical Control Machine

Automatic Plank Forming Machine

Welded Pipe Processing Machine

WELDING WORKSHOP

Automatic Ring Welding Machine

Plank Welding

ASSEMBLING AND INSPECTION WORKSHOP

MATERIAL AND WELDING EXAMINATION

Raw Material Examination

Welding Examination ↓

Tube and Connecting Pin Welding Test ↓

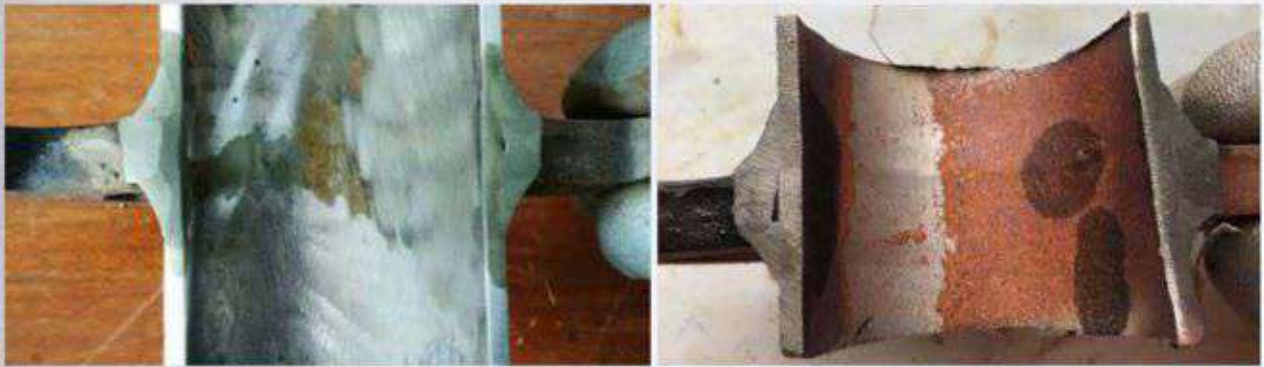

PASS:
Even welding profile, good penetration

FAILURE:
with welding wear, no penetration, and air hole.

Rosette and Tube Welding Test ↓

PASS:
Even welding profile, good penetration

FAILURE:
With welding wear, and partial welding.

Ledger end and tube welding test ↓

PASS:
Even welding profile, good penetration, without any welding wear, air hole, partial welding...

Flattening and Flaring Testing Result ↓

PASS:
Without Crack

FAILURE:
With Crack
